

### **Institutional Distinctiveness**

The College draws its distinctiveness from its location and the student community it serves. The location of the College makes it surrounded by rural areas of the district of Samastipur, home for marginalized section of the society. Most of the students are first generation learners. The College caters to the needs of such students with utmost dedication. Over the five decades of its existence, the College has evolved in identifying the needs of the clientele and serving to the best of their satisfaction and progress. One of the illustrations of such unique achievement has been that the College draws a considerable number of students from other districts as well. The College tries to focus on local community in research and development activities. This can be gauged from the programmes of the NSS and research on local issues such as water quality and development of villages in the recent past.
